“Doc Dayman”

Dr Dayman voluntarily deregistered from the **Australian Health Practitioner Regulation Agency**, during the events of 2020.

He went on to open “*The Bush Clinic*” on the Gold Coast, Northern Rivers border.

Join us as he and answers any questions from his personal experiences and openly shares natural products he has bought to the surface, since establishing “*The Bush Clinic*” that can assist with

- *Water purification that can remove **Graphene, Nano Plastic (Pfas), Pesticide Residues, Heavy Metals & Toxic Chemicals.** by single drops in a glass of water.*
- An advance proprietary formula designed to help water return to its natural liquid crystal state.
- A very powerful, natural detox to assist the body to selfheal.
- **Coming Soon** a way to aerate it over the land.
- He share’s **his personal** journey with **Fire Ant treatments.**
- **DOC DAYMAN** is the only person to take **Fire Ant facilitators** to the **supreme court**
- Other various other topics **to many** to list here.
