## "We as the people" welcome you

For those who are new, we give you a warm welcome from like-minded living men and women.

### From the Editor

Come along and help plan for this groundbreaking event. See the next box and the agenda below.

### Actions and Connections

We have been given the green light by council to hold the Fire Ant Public Forum event on 10 October and there is a lot we have to do to secure that event as council have given us a few requirements we must meet to get the date locked in.

This is why I am asking for everyone's assistance for the event planning so we can showcase what our region can do for the community.

### Local Food Sources

[More info on our website here](#)

**We are very keen to add more local farmers and producers to our food source list.**
