Newsletter

N°110

Next meeting 4th October

"We as the people" welcome you

For those who are new, we give you a warm welcome from like-minded living men and women.

Next Meeting

4th October - 1pm to 3pm
The Shed
735 Mary Valley Road
Long Flat

Please leave dogs at home.

Group Discussions

- Fire Ants Public Forum Event Planning – We need your assistance for the success of this very important event for the Gympie Region.
  Please come along and give your support to this event.
- We are really needing the support of the people on the day that can help in the areas of setup and take down, traffic and pedestrian management, crowd control and lost children to help make the event a success.
- We will have flyers at the meeting if anyone can distribute around the public in their areas as well.

.... and more info in the agenda posted to our website.

Fire Ant Public Forum

Confirmed Speakers for the event on the 10th of October are:

- **Llew O'Brien MP** - Federal Member for Wide Bay

- **Norman Olsen** - Sustainable Soil Intelligence (SSI) - Soil Microbiologist
  Norman Olsen – will be introducing the future of sustainable farming with on Soil Intelligence Solutions. Norman will present a new biological approach to soil health and Fire Ant Management and will demonstrate the Biological Methodology – Soil Intelligence Solutions SSI Technology – is a practical, scientifically support proven solutions to improve soil health, increase productivity and effectively manage fire ants – the natural way.
- **Hayden Lewis** – CEO of Sustainable Soil Technology Institute with Norman and he will be introducing a new biological approach to soil health and fire ant management through the Institute and the benefits for a better farming future.
- **Trevor Hold** - Australian Advocacy Group (AAG) & Adversely affected Farmer. Trevor will be able to demonstrate the potential of the Primary Produce Biosecurity Utility Vehicle he has developed to eradicate fire ant nests.
- **Anthony Walsgott** - Senior Solicitor investigating a proposed NFAEP Class Action for those adversely affected by the program.
- **Craig McManus** - Spokesperson for the Gympie Region Fire Ant Group – summing up the event and the outcomes we are looking to achieve.

We are really needing the support of the people on the day that can help in the areas of ***setup and take down, traffic and pedestrian management, crowd control and lost children*** to help make the event a success.

We will have flyers at the meeting if anyone can distribute around the public in their areas as well. I have attached the flyer for your information.
