Warrior at Law Community

Queensland, we're coming to connect with our Warrior at Law community!

Join us for a community chat and Q&A about self-determination, autonomy and practical options for navigating the challenges many

people face.

We'll explore alternative structures and processes, remedy options, self-sufficiency and community resilience, with time for your questions and open discussion.

Whether you're already part of our community or curious about what we do, come along, meet us and join the conversation.
See above image for places and dates.

A $5 donation at the door will help cover travel costs and support our education projects.

Please RSVP early to mailto:admin@warrioratlaw.com with the town you're attending in the subject line. Let us know how many people will be coming with you.
