"We as the people" welcome you

For those who are new, we give you a warm welcome from like-minded living men and women.

From the Editor

As I write this newsletter, the rain is still falling here in Gympie and the creeks are up pretty high in some areas. We do not know how much more rain will fall, but if it continues and the creeks block the roads, then do not drive through the flood water.

If the meeting still goes ahead, and at this stage it is envisaged that it will, then there will be detailed minutes kept and published on our website within the following week (hopefully).

Local Food Sources

[More info on our website here](#)

We are very keen to add more local farmers and producers to our food source list.

If you have contact with a farmer, please email us at
