## "We as the people" welcome you

For those who are new, we give you a warm welcome from like-minded living men and women.

### From the Editor

Its all about flouride, fire ants and protecting against trespass this week.

In the background we are working on getting Craig's council meeting reports and our meeting minutes up to date. With the generous help of Carol (my lovely wife), we are starting with the (latest) council reports and working backward until we get the archive up to date. Thanks to Craig for doing his bit.

### Actions and Connections
